DIRECTORY SERVICES

Chamber Directory Services has been providing chambers and publishers of chamber publications, a constant and steady revenue stream since 2004. Our Founder, Blair Stephenson, has been in the industry since 1991. We offer a no "out of pocket" cost member verification program with an advertising sales generator through membership magazines, membership websites, relocation guides and maps. We do all of this out of our office right outside Memphis, TN. We work with both chamber of commerces and publishers, as well as other membership organizations.

## OUR FEE IS A PERCENTAGE OF WHAT WE SELL

We take a percentage of what we sell from advertising revenue and pay you. We handle all of the invoicing, art collecting and customer service. This way there is no cost involved and no risk to you. We take on ALL of the risk. You are also assured to receive your royalty payment since we pay you every two weeks and not in one lump sum at the end.

## ADVERTISING OPTIONS OFFERED

We have found that offering members options such as BOLD PRINTINGS, BOX LISTINGS with descriptions and LOGO LISTINGS with descriptions are the 3 best enhanced listings to offer. They are affordable and easy to layout in your publication. These also allow members to have a presence when they cannot or choose not to participate with a display ad.
